££££££££ Stop Press new boilers for the pool ££££££££

TCP's investment in a greener future has taken a big step in July.

MHDC have released a grant from their decarbonisation budget to fund two new energy efficient boilers at the swimming pool. Our 20+ year old boilers are very tired and require extreme maintenance to keep going. An investment of £101,682.08 will enable the boiler replacement to take place in October or sooner with no planned closure of the pool!
