

Tenbury Community Pool

NOVEMBER Pool News

Major upgrade works continue at the Tenbury Swimming Pool. An early Christmas present arrived in October when the two new boilers were finally installed and commissioned by VME Mechanical and Engineering Services. Out with the old and in with the modern energy efficient boilers – Just in time!!

Please be patient once again as the pool will be affected during the final two major changes this year making the building fit for purpose for many years to come.

- **Wednesday 22nd November the original pool windows will be replaced** over a two-week period. Some daily lane closures will take place to ensure your safety.
- **The Severn Trent Water pipe to the pool is being replaced** after the issues last year. Starting on Monday 11th December. This will cause some disruption to the use of the changing rooms, Palmers Meadow, and the car park for two days.

Freedom Leisure will keep you up to date by social media and website, and posters at the pool.

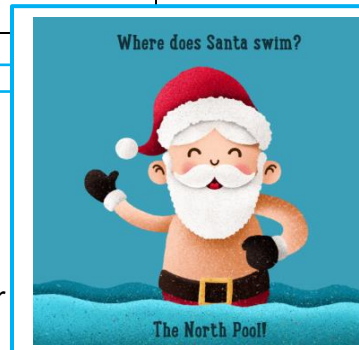

Christmas Opening: The Christmas opening times are here to help you plan your trips to the pool and gym. Look out for festive fun sessions planned for families and young swimmers.

Tenbury Flood helping hands. Even though the Tenbury pool suffered some minor floods in the plant room the staff still found time to help our local bus driver who sent this message.

'Just wanted to say a big thank you to lad who works at the pool, he did tell me his name, but I am getting old and my brain is like Homer Simpsons on a good day, May have been Jay?? (It was Harrison!)

Me and my bus was grounded for obvious reasons, so I parked up for a few hours at the pool. I always pop in for a coffee and use the toilets. We had a nice chat and he said we were always welcome and if he needed anything just let him know. He is a true gentleman, professional and compassionate and the same time. He even asked an elderly swimmer to ring him and let him know he got home safe, how good is that.' Well done Harrison.
