

## November 2024 Pool News

### Supporting Health and Wellbeing in the Community

**Tenbury Community Pool Fundraising:** Your community owns the pool, gym and studio facility and TCP's Trustees contract out operation of the facility to Freedom Leisure. Both TCP & FL are not for profit charities. At TCP we plough back all funds raised to improve the facility and services for our community. All donations, no matter how small, are very gratefully received.

The **Nigel Weaver Charity Duck Race** has once again helped to purchase a Recumbent Bike for our gym which enables those with additional needs to exercise. They have also provided equipment for our very successful Swim School.

TCP are also actively fundraising for a '**Pool Pod**' a **submersible pool lift** which helps less able swimmers to get in and out of the pool in a dignified manner.

This is an ambitious project costing £35,000. TCP currently have raised £10,300 towards the full cost.

All donations, no matter how small, are very gratefully received. To donate or if you have a fund-raising idea, please contact TCP.

### ***We Need YOU!***

### **Can you help to continue the successful growth of Tenbury Community Pool?**

TCP are pleased to welcome Leanne Hodgetts to the Board of trustees. Leanne has a wealth of experience in senior educational management and strategic planning and is a regular early morning swimmer!

**Trustees:** We are still looking to add to our team of dedicated, volunteer Trustees with talented local people.

**Volunteers:** If you feel that you can support your local pool, gym and studio but not sure about becoming a Trustee? We get that, but you can still help by joining our team of volunteer helpers.
