

Tenbury Community Pool February 2024 Pool News

Working towards a greener future Our sustainability journey

The trustees of Tenbury Community Pool are pleased to report that the Tenbury Swimming Pool's major energy saving improvements for 2023 have been completed.

A big thank you goes out to our generous donors for their financial support making our facility fit for purpose and energy efficient for many years to come.

We thank the staff and members for their patience during the minor disruptions to the centre's day to day running over the last few months.

Over £170,000 has been invested in the last two years!

Two new boilers	Increased solar energy supply
New double glazed pool windows	Roof and gutter repairs
Pool cover refurbished	Water pipe to replace the 50-year-old underground pipework

Energy savings Year on year comparison	2022/23	2023/24 Year to date
Electricity	41.2%	40%
Gas	30.2%	6%

More energy saving plans for 2024 to come, including additional solar panels and windows when funding has been secured. Do you have any fundraising ideas or grant giving contacts?

Freedom Leisure at Tenbury Community Pool in partnership with Public Health are thrilled to have launched Good Boost – Aqua Move and Low impact Aqua Circuits

The exciting new aquatic rehabilitation sessions are individually tailored using the Good Boost App and are delivered on waterproof tablet computers that are simple to use, allowing participants to progress through their exercises at their own pace. Participants can then graduate to the instructor lead - low impact Aqua circuits classes.

Social prescribers can offer a free taster to anyone they deem would benefit and can refer participants for a free 3-month membership.

Move More
Have Fun
Feel Better

Transforming any space
into a therapeutic place.

Are you passionate about Physical and Mental Health? Do you have time to Support Your Local Community?

The dedicated Trustees are looking to strengthen the depth of their team. Our Trustees have backgrounds in sports & education, finance, industry and are looking for talented new Trustees to add to these skills.

Trustees meet monthly and meet Freedom Leisure each quarter for performance monitoring and centre development collaboration.

Please contact TCP at info@tenburypool.co.uk for an informal chat and a facility visit.
