

Tenbury Community Pool

September Pool News

New boilers for the pool The trustees of Tenbury Community Pool are pleased to announce that two new energy efficient boilers will be installed at the Tenbury Swimming Pool. Work commences on Wednesday 27th September. The boilers will be paid for by Malvern Hills District Council using their Decarbonisation funding.

The staff of Freedom Leisure have been nursing the old boilers and the new ones have arrived just in time before we have any major breakdowns.

No full pool closures are planned during this important work.

However, there will be no hot water for showers etc on Wednesday 27th September in the afternoon whilst essential safety work is carried out.

New members always welcome Did you see the messages on facebook a few weeks ago when we were visited by a flock of sheep?

Hahaha It's dipping time They are qu'ewe'ing to go for a swim

Tenbury Swimming Baaaaths On the baaaa bells maybe?

They are late for the sheepy shuffle run
